

Resurrection Sunday Services

Chapel celebrated Resurrection Sunday this year with two services. Beginning on Saturday night, April 20th, with a *Service of Remembrance*. A barbeque supper was enjoyed at 5:00 PM, followed by the worship service at 7:00pm. Special music was provided by the Chapel choir, who sang several beautiful songs and June, who sang a solo. Our guest speaker, Rev. Steve Sparks, brought the message for the evening. Bro. David closed the service with the observance of The Lord's Table.

Resurrection Sunday was celebrated with a *Service of Rejoicing* during the morning worship service. Bro. David opened the service with prayer after the welcome and announcements. June provided the first special music for the service, followed by several specials from the Chapel Choir. All were beautiful and very inspiring. Rev. Steve Sparks message for the day was "Only the Name of Jesus."

Both services were uplifting and inspiring, from the songs to the preaching of God's word, the true meaning of the Resurrection season was proclaimed. We appreciate all who attended and participated in these services and a special thank you to Rev. Steve Sparks and his wife, Mary, for coming and sharing with Chapel.

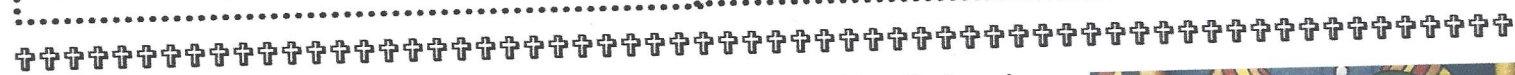

Let us be Faithful Stewards.

A Giving Church is a Living Church!

Chapel Extends Christian Love and Sympathy to Jean McCorkle, Nancy Redmond and David Laughner, in the death of Jean's daughter-in-law and their sister-in-law, to Royann Harley in the death of her uncle, Frank Kelly in the death of his son, and Jamie Evans in the death of her children's father.

Tots by the Sea: It has been another fantastic month of watching God work through Tots by the Sea. In fact, this is the ninth month of having the great pleasure of assembling together with the children. We started at the end of Summer, enjoyed Fall, made it through the winter, and now it's SPRING! A time of fresh new beginnings and spring fever! Our classroom time has been directed towards a lot of outside activities with the great weather.

Speaking of weather, we made it rain April 19th so that we could demonstrate the use of the Umbrella. I love the excitement the children exude when you say something out of the blue like, "Would y'all like to put on your rain boots and rain coats while we squirt water up in the air with the water hose to make it rain?" The 'rainstorm' was precluded by a puppet show with an old man snoring. Those puppets are a big hit with the children.

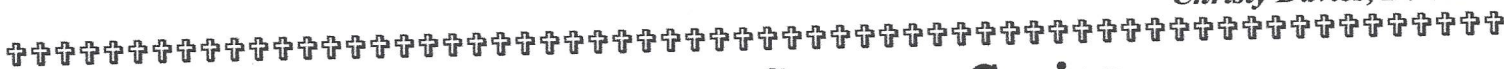

In other Spring hit events, there was a Spring Health and Wellness Expo this month sponsored by Tybee Family Chiropractic and Tots by the Sea. The children were entertained by a coloring contest, Easter egg hunt, puppet show, Resurrection egg story time, and especially The Sammon sisters, Sondra Perry's great-granddaughters, Emsley and Paisley! These girls sang a beautiful acapella version of Amazing Grace for the crowd who silenced themselves and gave a huge round of applause. Apparently, this was the 3rd performance of the Sammon sisters around the island in 2 weeks. They have a heart for God and a ministry all their own. Thank you, ladies, for being so gracious to perform for us.

I would also like to thank everyone who donated to support the prizes and supplies needed for the kids. What a blessing to know God would stir the hearts of His people to provide more than we could ask or need. Several of the Expo attendees stopped me before they left to mention how they were happy that someone brought up Jesus during a Spring public event. I remember hearing one parent say to their child, "Go sit down and listen to the story about Jesus" as I began to assemble the children. I don't think I will ever forget the thrill in my heart hearing our savior's name being said out loud in public in such a sincere way!

Chapel by the Sea was represented at the Expo with flyers about our special services for Resurrection Day. Many locals and visitors are being invited to come worship with us. If you see any visitors this week remember to be extra friendly. If you see any kids playing around on the island, invite their parents to bring them to our FREE class on Fridays at 10:00 AM. God is really up to something on Tybee. These are exciting days to be a servant of our Lord with a sincere heart for Christ.
