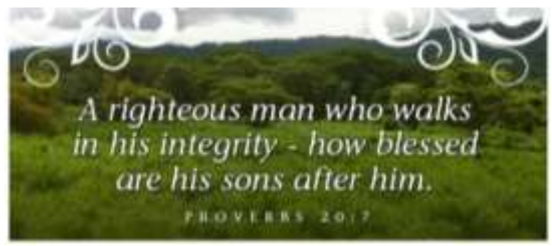
"Job…. was blameless and upright; he feared God and shunned evil. He had seven sons and three daughters. Job 1:1-2

Fathers

A wise man said, "The most precious jewels you'll ever have around your neck are the arms of your children." Job felt that way, and he was always concerned when they gathered for parties. Commentator Duane Garrett wrote, "Besides showing that Job's family led a blessed, joyful life, the parties that Job's children held on their birthdays served to illustrate Job's extreme piety." Job never failed to offer sacrifices to atone for any sins his children may have committed.



We don't offer sacrifices for our children now, but we can and must intercede for them. James 5:16 says, "The prayer of a righteous person is powerful and effective" (NIV). Jesus taught us to always pray and not give up (Luke 18:1). The Lord told Simon Peter, "Simon, Simon! Indeed, Satan has asked for you, that he may sift you as wheat. But I have prayed for you" (Luke 22:31-32).

If you have a youngster of any age, pray for them today. If you don't, pray for someone else's children. You can be sure they need it!

It is only rest in God's presence and grace that will make you a joyful and patient parent.

WMU

Our June meeting will be on Sunday, June 14th @ 5:00 pm, before the Sunday Evening Worship service, due to the 3rd Sunday falls on Father's Day and there will be no evening service on that day. We are changing our study from our focus on women of faith to a focus on 5 women from the Bible that are in the lineage of Jesus. Those women are Tamar, Rahab, Ruth, Bathsheba and Mary. We will begin in June with Tamar. This should be an interesting and learning experience. All ladies are invited to join us for our study.

The Summer Retreat: God's Creation

The heavens declare the glory of God; and the firmament shows His handiwork. Psalm 19:1

It's only natural that we spend more time outdoors during the summer months than any other time of the year. School is out, the weather is warm, and we discover new places while vacationing. The collectors among us delight in our finds: seashells, beautiful stones, unique wildflowers and leaves, and photos of amazing sites in nature.

Regardless of where we spend our summer months, there is one thing we can collect wherever we go: evidence of God in creation. Wherever we go and wherever we look, we see evidence of God's power, grace, creativity, and life. The apostle Paul wrote that "since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead" (Romans 1:20). The psalmist David observed that "the heavens declare the glory of God; and the firmament shows His handiwork." Nature is the ultimate classroom in which we observe the creative acts and the sustaining power of God Himself.

Use your time in nature as motivation for declaring the praises of God for the privilege of living in His creation.

The creation is both a monument of God's power and a looking glass in which we may see his wisdom. Thomas Watson
