Ye are the salt of the earth: but if the salt have lost his savour, wherewith shall it be salted? it is thenceforth good for nothing, but to be cast out, and to be trodden under foot of men. Matthew 5:13

Seasoned Living: Salt

Most of the salt in ancient Israel came from the Dead Sea, which was called the Salt Sea. As water evaporated in pits near the sea, it left behind a salt residue, which was collected. It had a distinctive flavor, which made cooking and eating a pleasure. But in biblical times, salt could become contaminated with dirt or dust, and there was no way to separate the dirt from the salt. The grains were too fine. The salt was useless. It had to be thrown out.

As Christians, we have a distinctive character. We're different from every other group in the world. If we become contaminated and lose our distinctiveness, we're good for nothing. If the world gets into us, we'll be of questionable value. Let's be known for genuine internal holiness and righteousness. Let's be like Jesus. This is the salty Christian life, the Jesus life—and this is the life of biblical distinctiveness.

We must never forget who defends our freedom and protects our country. Thanks to our military and their sacrifices, we are free to celebrate Independence Day.

Truth

Truth is the absolute standard by which reality should be measured. It's God's view on any subject matter. This truth lives outside of you.

In other words, if it's true then it doesn't matter whether you agree with it or not. It doesn't matter whether you feel it or not. If it's truth, it is true because God says it is.

That means there's no such thing as "my truth" and "your truth." You may have "your belief" and "your perspective," but when it comes to what is true, that has already been decided by God Himself.

Our greatest challenge then, is to adjust ourselves to God's point of view on every subject. And in His Word, God has given us absolute truth**. Pastor Tony Evans**
