

Love the Good

Danny Von Kanel

Read Amos 5:7-15.

Hate the evil, and love the good, and establish judgment in the gate: it may be that the LORD God of hosts will be gracious unto the remnant of Joseph. Amos 5:15

For years, some evangelical circles preached the church should stay out of politics and the public square. It was said, *The world is going to hell, and Christians should only concern ourselves with seeing people saved and going to heaven.*

A biblical perspective, though, shows very different marching orders. Amos challenged believers in his day to care about matters of justice in the public arena. The world needs judges marked by honesty and fairness. Believers are to value truth-telling in all areas. God's people should care when rich people and systems of business take advantage of the poor.

Instead of turning a deaf ear and keeping their mouths shut, the Bible exhorts God's people to get involved in matters of justice. Our churches can raise a generation of good and just judges, lawyers, teachers, businessmen, bankers, scriptwriters, and artists.

Thank God for Christians in our era who understand the church must mobilize to influence our society. God wants to use us as salt and light to influence every sphere of our world.

Father, may I not just hide in the church house but engage the world with Your grace and truth.

Let us be Faithful Stewards.

Tots by the Sea: Well, since it's finally warm enough to get back into the ocean, Tots by the Sea is taking a break from it's weekly schedule. There are plans in the works for some special "field trip" meet ups this Summer. I will be sure to keep everyone posted of the dates as the programs are reserved, in case you have family visiting who would like to join us. Rivers End Campground and 4H Club of Tybee have offered us a special organized event for the children to enjoy. We look forward to being back to the alphabet in the fall but for now please enjoy the beautiful weather and grand blessing of living by the Sea of God's creation this Summer.

With love and appreciation of support to all of you fellow saints in service to our King. **Christy Davies, Director**

Sunday AM – "The Arm of the Lord, Isaiah 53 Study"
Sunday PM – "Fool's Gold" the Book of Ecclesiastes
Wednesday PM - "Be Not Ignorant"

Choir Notes: During the Resurrection services in April, the choir had the opportunity to bring the message of how our Lord and Savior gave everything for us and His wonderful message of love for us. As we now are going into the Summer months, we will be changing our specials a bit. We will be bringing hymns and history of hymns to the church during this time. We have many hymns that we sing in worship, but there are many that we do not. Along with your bulletin on Sunday, you will receive an information sheet with the history of that particular song that is listed in the bulletin. We hope that this will be special for you and our choir during this time.

Our choir would love to have you join us. This Summer period would be a great start. We practice on Sunday afternoon from 5:30 p.m. until 6:45 p.m. **Royann Harley, Director**

We are wrapping up our series on *Discerning the Voice of God*. Here are some of my recent thoughts:

In May we celebrated Mother's Day and this month we celebrate Father's Day. One thing we all have in common is that we all have parents. Some have had wonderful parents, others not so much. If your parents have passed, maybe you wish you had spent more time with them while they were here.

Our Heavenly Father wants a relationship with us. He wants to spend time with us and wants us to get to know Him better. A relationship takes time. How much time have you spent with your Heavenly Father today, learning to discern His voice. This is the most important relationship in your life.

I am truly blessed with wonderful, godly parents. They have not only taught us by their words and discipline, but also by their actions. Even if you have not had this heritage of godly parents, you along with all humanity has been given the heritage of Jesus Christ. He has not only given us His words (Scripture) but also His living example. What legacy, what kind of heritage are you leaving behind? Do your children, grandchildren and great grandchildren know Christ? Are you leading them by example?

It starts with you and with me. We cannot be a good example without following *The Perfect Example*, our Lord and Savior Jesus Christ. Spend time with Him. See how He changes you, your circumstances or maybe your perspective. Your inner being will become conformed to His likeness.

Make the decision to begin spending time with your Heavenly Father today. Learn to discern His voice. Time is short. You can't get time back. Have no regrets.

Mother's Day, Sunday, May 12th, 2019

was a lovely Sunday morning to honor our mothers.

Pastor David asked that all mothers in attendance stand and be recognized and honored. To honor our oldest mother in attendance, Bro David asked if there were any mothers 93 years of age or older. There was only one mother of that age in attendance, **Lynn Joseph**, mother of Sue Off. To honor our youngest mother in attendance, Bro David asked if there were any mothers 24 years of age or younger. There was only one mother of that age, **Caitlyn Magune**.

Pastor David presented each mother with a bouquet of flowers. We are happy to be able to honor our mothers for the wonderful blessing they are to us.

Bible Facts: There are hundreds of interesting facts in the Bible. Here are just a few:

- ◆ The only time the word "grease" is used in the Bible is in (Ps 119:70).
- ◆ The Bible says to "wait on God" 54 times.
- ◆ Men first began to "call upon the name of the Lord" in (Gen 4:26).
- ◆ How many times have you been asked, "If you could have one wish, what would it be?" God basically offered this to Solomon, and Solomon asked for "an understanding heart." This pleased God and Solomon was given more wisdom than any man in history (1 Kin 3:5-14).
- ◆ Isn't it interesting that Pharaoh ordered every newborn Israelite boy to be drowned in the Nile (Ex 1:22), then many years later Pharaoh's Egyptian army was drowned when the Red Sea swept over them (Ex 14:26-28)?
- ◆ When the Israelites crossed the Red Sea, they did so at night, with a "pillar of cloud" providing light for them to see (Ex 14:19-27).
- ◆ God brought the plague of locusts upon Egypt, and also parted the Red Sea with a strong east wind (Ex 10:19)(Ex 14:21).
- ◆ The first time the word "love" is used in the Bible is when Isaac spoke about loving food (Gen 27:4).
